

Sanjay Ghodawat University Kolhapur

Established as a State Private University under Govt. of Maharashtra Act No. XL dated 3rd May 2017

Empowering Lives Globally !

Objective: To promote creativity, engagement and dissemination of scientific knowledge through humor and entertainment.

Theme: All memes must be related to science, technology, or the life of a scientist/student/researcher.

1. **Originality:** Submissions must be original work created by the participant(s). Plagiarism (copying existing content or others' work) often results in disqualification.
2. **Appropriate Content:** Memes should not contain explicit, obscene, derogatory, offensive, or discriminatory content. The humor should be respectful.
3. **Format & Submission:** Entries typically need to be submitted in a common digital format such as JPEG, PNG or GIF. There are often file size limits (e.g., under 5 MB). Submissions are made via mail to shivani.samarth@py.sguk.ac.in
4. Then all participants should be present on the day of Sci-STAR 2026.
5. **Copyright & Permissions:** Participants are often advised to use copyright-free images or their own original photos. If copyrighted material is used, it should fall under "fair use" (e.g., for parody or commentary), and organizers may require proof of permission.
6. **Creativity & Originality:** The uniqueness of the idea and presentation is a primary factor.
7. **Visual Appeal:** The overall quality, clarity, and aesthetic presentation of the image and text.
