

Rules & Regulations:

Participants must identify and collect the correct ingredients using their **sense of touch and smell only** while wearing a blindfold, within the given time.

Participants: Only **one blindfolded player** is allowed in the hunting area at a time.

Game Setup: Ingredients will be placed on a table or in a marked container.

Game Rules:

1. Blindfold must be worn **properly at all times** during the hunt.
2. Player may **not remove or adjust** the blindfold until the round ends.
3. Ingredients must be identified **through tasting**.
4. Player may use **hands and smell only** (no guessing by asking the organizer)

Time Limit:

The ingredient hunt **must be completed within 60 seconds**. Any participant who crosses the time limit will be disqualified.

When time is up, the player must **stop immediately**.
