

Annual Progress Seminar (APS)

Rules and Guidelines Governing Annual Progress Seminars for PhD Students.

All Ph.D. students shall after registration (after course work Part I completion and approval of Research and Recognition committee), submit Annual Progress Seminar Report (APS) for their previous year work through their supervisor(s) to the concerned DRC (Department Research Committee). The APS report is required to be submitted once in a year in July/January, depending upon their initial admission semester. The Annual Progress Seminar must be given on or before 30 July by the students admitted in July and on or before 31st January, by the students admitted in January. This schedule will be followed till they submit pre-synopsis is seminar.

The following are the guidelines to be followed.

- Ph.D. Student must present the Annual Progress Seminar (as per prescribed schedule) each year.
- Ph.D. scholar must submit six month progress report in desired formats containing contributions toward PhD work during six months to the department and present Annual progress seminar on the work done in one year time.
- In case, if he/she is not able to present Annual Progress Seminar in time for valid reason, an application for extension must be made at least 15 days before the last date for presentation of APS.
- Extension will be granted by DRC/HOD on case-to-case basis with or without fine for late presentation. The fine would be @ Rs. 750/per week, from 1st August/1st February (as the case may be). Such fine at prescribed rate for delay will be charged till the date of presentation of APS.
- If the application for late presentation of Annual Progress Seminar is not made 15 days before expiry of last date, the concerned scholar will be charged additional fine of Rs. 750/ for not applying for extension in time.
- The report of Annual Progress Seminar in a prescribed format should reach the Academic Office/PG Section within four days after the presentation, for further necessary action.
- Delay beyond 30th August/28th February (as the case may be) will cause for discontinuation /cancellation of Teaching Assistantship, research scholarship, research fellowship and or Studentship.
- All Research Scholars (irrespective of their basic qualifications) should give Annual Progress Seminars after completion of one year from the date of joining.
- Ph.D. students who have been registered for six years in the Ph.D. Programme are required to submit a properly completed application on the approved form, for

extension of Ph.D. registration to the subsequent year in the Ph.D. programme. This application must be completed and submitted on or before the last date for completing the Annual Progress Examination for the year prior to the year for which extension of Ph.D. registration is required. A penalty of Rs.750/per week or part thereof, shall be imposed for any delay in completing this process, beyond this deadline

- It is mandatory to present APS by all categories of Research Scholars such as Teaching/Research Assistantship/External/Sponsored/NBHM/QIP/Self Finance/Project/ Institute staff/College Teachers etc.
- **In case of CSIR/UGC fellows, the dates of their Annual Progress Seminar may be fixed by considering requirements of funding agency and such fixed schedule be followed strictly.**
- The presentation of Annual Progress Seminar (APS) is also required for renewal /enhancement of Assistantship/confirmation /continuation of their programme.

Guidelines for PhD students:

a. Guidelines for report (including first years):

- b. Student must follow the guidelines (give below) in preparing his/her Annual Progress Seminar report.
- c. Synopsis: Maximum of 15 pages (with one sided) and 1.5-line spacing with Times New Roman 12 pt.

d. The synopsis should include:

- **Short abstract (150 words):** Describes about the significance of methodology (if it is new or existing one but not used so far) and its necessity (degree of difficulty, complexity with improved results).
- **Summary of previous work:** This can be bulleted with the year wise results
- **Objectives of the work done during the review period:** This should have the work completed in the current year based on the feedback / recommendations given in the previous APS.
- **Methodology**
- **Results and discussion**
- **Problems encountered**
