

Annual Progress Seminar (APS)

Rules and Guidelines Governing Annual Progress Seminars for PhD Students.

All the Ph.D. students after registration (after completion of Course Work Part A and approval of Research Proposal by Research and Recognition committee), shall submit Annual Progress Seminar Report (APS) for their previous year work through their supervisor(s) to the concerned DRC. The part B of course work must be completed during the course of research within six months after registration. The APS report required to be submitted once a year in July/January, depending upon their initial admission semester. The Annual Progress Seminar must be given on or before 30th July by the students admitted in July and on or before 31st January, by the students admitted in January. This schedule will be followed till they submit pre synopsis seminar.

The following guidelines approved by Post Graduate Department Committee (PGDC) / DRC shall be followed.

- Ph.D. scholar must present the Annual Progress Seminar (as per prescribed schedule) each year.
- Ph.D. scholar must submit six month progress report in desired formats containing contributions toward Ph.D. work during six months to the department and present Annual Progress Seminar on the work done in one year time.
- In case, if he/she is not able to present Annual Progress Seminar in time for valid reason, application for extension must be made at least 15 days before the last date for presentation of APS.
- Extension will be granted by DRC/HOD on case-to-case basis with or without fine for late presentation. The fine would be @ Rs. 750/per week, from 1st September/1st February (as the case may be). Such fine at prescribed rate for delay will be charged till the date of presentation of APS.
- If the application for late presentation of Annual Progress Seminar is not made 15 days before expiry of last date, the concerned scholar will be charged additional fine of Rs. 750/ for not applying for extension in time.

- The report of Annual Progress Seminar in a prescribed format should reach the Academic Office/PG Section within four days after the presentation, for further necessary action.
- Delay beyond 30th September/28th February (as the case may be) will cause for discontinuation /cancellation of Teaching Assistantship, Research Scholarship, Research Fellowship and or Studentship.
- All Research Scholars (irrespective of their basic qualifications) should give Annual Progress Seminars after completion of one year from the date of joining. This is applicable to Research Scholars, who have joined their Ph.D. programmes effective from July, 2003.
- Ph.D. students who have been registered for five or more years in the Ph.D. Programme are required to submit a properly completed application on the approved form, for extension of Ph.D. registration to the subsequent year in the Ph.D. programme. This application must be completed and submitted on or before the last date for completing the Annual Progress Examination for the year prior to the year for which extension of Ph.D. registration is required. A penalty of Rs.750/per week or part thereof, shall be imposed for any delay in completing this process, beyond this deadline
- It is mandatory to present APS by all categories of Research Scholars such as Teaching/Research Assistantship/External/Sponsored/NBHM/QIP/Self Finance/ Project/ Institute staff/College Teachers etc.
- In case of CSIR/UGC fellows, the dates of their Annual Progress Seminar may be fixed by considering requirements of funding agency and such fixed schedule be followed strictly.
- The presentation of Annual Progress Seminar (APS) is also required for renewal /enhancement of Assistantship/confirmation /continuation of their programme.

Guidelines for PhD students:

a. Report Submission & Seminar Dates:

Student should submit his/her APS report one week before the presentation. As per the new guidelines, PhD students in Fifth year and above should submit their reports in 3rd week of December and subsequently presentations should be given in 4th week of December i.e if the student submits his/her report on fourth day in 3rd week of December

has to make his/her presentation on or after fourth day in 4th week of December. This will provide an effective seven days period for their DRC members to review his/her report and student must ensure that there will be a seven days period in between submission time and proposed presentation time.

b. Guidelines for report (including first years):

- c. Student must follow the guidelines (give below) in preparing his/her Annual Progress Seminar report.
- d. APS Report: Maximum of 15 pages (with one sided), Times New Roman 12 with 1.5 line spacing.

e. The APS Report should include:

- **Short abstract (150 words):** Describes about the significance of methodology (if it is new or existing one but not used so far) and its necessity (degree of difficulty, complexity with improved results).
- **Summary of previous work:** This can be bulleted with the year wise results
- **Objectives of the work done during the review period:** This should have the work completed in the current year based on the feedback/recommendations given in the previous APS.
- **Methodology**
- **Results and discussion**
- **Problems encountered**
- **Summary and future research plan for the next year.**
- An appendix comprising of previous evaluations by DRC and a detailed report as per suggestions of the guide.

f. Guidelines for presentation:

1. APS presentation should be limited to 45 minutes.
2. Advisable to limit the number of slides to 20, i.e. 1 minute per slide
